Programme**

**God's people
bringing His Love
and His Word to
these communities**

**Lunch Club Programme
2009
We meet on the 3rd
Thursday of every month.**

We as a benefice are aware that we have many activities for our Children and that is vitally important that we ensure that older members of our congregation and

villages are supported. We therefore run our lunch club so that

there is a place to meet and chat and 35 people come and share lunch with us. The people are drawn from all the villages and parishes and from wider a field.
